18th October 2024

Dear Parents/Carers,

School has been lovely with lots of learning and activities taking place. Please find some updates on what the children have been doing and important information below.

Parent Consultations

Your child will bring home their Autumn report today. Parent consultations are throughout next week. If you have not made an appointment but would like to meet with your child's class teacher, please speak to them or telephone the school office.

Attendance Week

Thank you for your support during attendance week this week - the children recognise the importance of being in school and on time every day and have enjoyed the chance to win prizes for their effort. We will have another attendance week next half term!

Parent information

I have been made aware there has been some discussion amongst parents, that Hummersea Primary will be joining a Multi Academy Trust. Please be assured that this is not the case and it is not on the horizon any time soon. I recognise that there have been some changes made over recent months which may have prompted these thoughts. However, changes have been made to ensure the continued safety, well-being and best education possible for all children within our school family. We are always looking at ways to grow and develop and thank you for your ongoing support for our fantastic school!

School in a Snapshot

- We had a wonderful visit from the Royal Institution for Science for our science shows - the children thoroughly enjoyed it. Thank you to all parents/carers and children who attended after school.
- The children showed super support wearing yellow for Mental Health Day - thank you!
- Y2 visited Captain Cook Museum
- Y4 had a chequers tournament as part of their Hummersea Curriculum
- Children in KS2 have enjoyed running club and tag rugby club at lunch time
- Y6 have made kites and tested them outside as part of their Hummersea Curriculum
